Sir:

This is in response to the requirement for restriction under 35 U.S.C. 121 mailed from the U.S. Patent and Trademark Office on January 19, 2006 which sets a one month shortened statutory period for response until February 21, 2006 (February 19, 2006 being a Sunday and February 20, 2006 being a federal holiday).

Applicants note that this response is being filed by the initial due date for response whereby an extension of time and the government fee associated therewith should not be necessary for maintaining the pendency of the application. However, if any extension of time is required, this is an express request for any required extension of time and authorization to charge any necessary fee to Deposit Account No. 19-0089.

Reconsideration and withdrawal of the requirement for restriction is respectfully requested in view of the remarks which follow:

Entry of the following amendment and reconsideration and withdrawal of the restriction requirement are respectfully requested.
